

TEACHING POSITIONS FILLED

MRS. VIETH IS NEW INSTRUCTOR

Hired by the school board to finish the school year for the two teachers who resigned during the Christmas vacation, Mrs. Jo Abbott, commerce teacher, and Mrs. Lois Kamberg, 5 and 6 grade teacher, are Mrs. Margaret Vieth of Chicago and Miss Huldah Rose of Medford.

Mrs. Vieth received her training at the Illinois Commercial College.

BOYS RECEIVE LETTERS

Seven boys were awarded football letters at an assembly Tuesday, January 6.

Mr. Lindley presented them to Glenn Williams, sophomore; Clayton Charley, junior; Harold Meyers, junior; Jack Chamberlain, freshman; Gene Chamberlain, freshman; Vernon Carmean, sophomore; and Dwight Burrell, sophomore.

PEOPLE ENJOY PROGRAM

The annual school Christmas program was held the afternoon of December 24.

Everyone who attended agreed that this program was one of the finest ever presented. The main feature was an operetta, "She Didn't Believe", given by the first six grades. Following the operetta, the seventh and eighth grades gave a pageant of the Nativity, accompanied by the singing of Christmas carols by the rest of the grades. The excellence of the program was due to Mrs. Kamberg's able direction and the beautiful costumes planned and made by Mrs. Washburn and Miss Davis.

The high school contributed three numbers to the program; two band selections, a song by the glee club, and a solo, "Star of the East", sung by Mary Lemmons.

The Eagle's Quill is published by the Associated Students of the Eagle Point High School under the direction of Miss Olson

Our policy for this year will be to make the activities and the happenings of the school and the community known to our readers, and by so doing, to make friends, to achieve, and to serve as an outlet for student talent.

EDITORIALS

WHAT ARE YOUR PLANS?

Are you planning to start the new semester right? Here are a few suggestions.

A good place to start is in the study hall. So many students sit around and read magazines or fool away their time when they should be doing their school work. Almost every student has but one study hall a day and he should use it to his best advantage.

On the very corner of the lawn is a path; worn there because, instead of taking one step more and going around the corner post, some of the students have a habit of shortcutting through the corner.

Because it's been so cold, the students haven't yet begun to eat their lunches outside. For that reason the school grounds are not yet cluttered up with papers. When warm weather comes, let's try to keep the school grounds clean.

Let's all try to make this new semester a good one! --B.A.

HOW'S YOUR PEP APPEAL?

The high school student body should resolve to have in the future more organized basketball, volleyball, baseball, and other recreational activities for the girls, boys and teachers.

Wasting time is foolish. This writer's opinion is that every week or so they could combine the girls' and boys' physical education period and have activities to suit everyone. For instance, there could be basketball games for those who want to play basketball, volleyball for those who want to play volleyball, dancing for those who want to dance, and many other things that members of the student body want to do.

Why not have an assembly some time soon and talk this over.

--V.C.

Dear Editor:

The conditions of the boys' athletic period are very poor. I think the boys should have an athletic adviser with them all the time to settle disputes and to guide them in playing organized basketball. As it is now, the boys are all out there fighting over the ball and waiting for the instructor to come.

I think that the boys would like to have an adviser there so they could get to play longer and have more fun. When the instructor arrives at the middle of the period and then tries to start a game going, he can hardly expect the boys to play a good game in such a short time. --D.B.

A small girl was just learning to write, and her teacher asked her where the dot over the "i" was. The small girl replied, "It's still in the pencil, teacher."

Face powder gets the man; baking powder holds him.

WITH THE BIOLOGY CLASS - -

The biology class has been testing the value of such antiseptics as chlorine, alcohol, lysol, iodine, boric acid, salt, and soap.

The germs were obtained from a hay infusion.

To make the experiment the class put a drop of the hay infusion on a microscope slide with a different kind of antiseptic in turn. They noted the following results: Iodine, salt, chlorine, and soap kill the bacteria instantly but do not dissolve or destroy the bodies of the bacteria. Lysol both kills and destroys the bodies instantly. Boric acid and alcohol are slow. Salt and soap, known as the poor man's antiseptics, check up to be as effective as one could wish for.

Miss Olson: Why does a fireman wear red suspenders, Margie?

Margie: I don't know, Why?

Miss Olson: Why to hold up his pants!

FOR BETTER OR FOR WORSE

I, Sammy Coy, resolve not to visit Pat Cogdill more than seven nights a week.

I, Dorothy Vieaux, resolve to get along better with Elva Chesnut through the year '43, especially in basketball games.

I, Lyle Lindley, resolve to get up early enough in the morning to get the bus started.

I, Wanda Pace, resolve not to get in any more arguments with Victor Hay in biology.

I, Leilla McGraw, resolve to be truer to B.F.S. in the year of 1943.

I, Dorothy Stanley, resolve not to make eyes at Bill Young in science class anymore.

We, the school busses, resolve not to run without the attentions of Mr. Taylor.

Barbara: Dwight, have you been eating crackers?

Dwight: No, why?

Barbara: Your face is crummy.

COMMUNITY NEWS

EAGLE POINT

Two new families have moved to this community. They are the Paces, who bought the Bill Holman ranch, and the Smiths, who purchased the Moomaw place.

Mrs. Amy Brown fell December 20, 1942, and broke both bones in her right leg above the ankle. She is recovering nicely at her home.

Walter Young went to Portland last week to attend the funeral of his brother-in-law, Mr. L. A. Bougher.

Dorothy McFerren visited in Eagle Point during the Christmas vacation, and then left for Bend, Oregon, where she will live.

Mr. and Mrs. W. R. Holman, following the sale of their ranch, moved into the Art Nichols house.

Mr. Frank Brown has been confined to his bed with bronchial flu the past week, but is improving nicely now.

Mrs. Cass, who was in Paris for sometime after the German occupation of that city, gave a very interesting talk Tuesday evening, January 5, at the Grange Hall.

Several girls from Eagle Point attended the formal dance held at Service Club No. 2 at Camp White New Year's Eve.

Minnie Putman White's husband returned home from Alaska December 31 for a few days furlough.

Lyle Van Scoy returned home from Camp Roberts, California shortly before Christmas with a Civilian's Disability Discharge.

Word was received that Pvt. "Andy" Dickson has been transferred from Tyler, Texas to Ft. Bliss, Texas.

LAKE CREEK

Mrs. Short had a party at her home Saturday night, January 9, honoring her son, Bill, and Clifford Miller, who leave soon for the Navy and Army respectively.

Dorothy Vieaux spent last week end with her aunt, Mrs. John Short.

Jimmy Short, stationed with the Home Guard at Sacramento, California, is visiting his home on a short furlough.

REESE CREEK

Miss Bea Easter, daughter of Mr. and Mrs. Frank Easter, and Lieutenant Ralph Keebler of Camp White were married at the home of Reverend Still Friday evening, January 6.

Mr. and Mrs. W. E. Hammel left Friday, January 8, for a week's combined business and pleasure trip in San Francisco. They are staying with Mr. Hammel's niece.

BUY A BOND

Buy a bond now and receive a souvenir from the Battleship Oregon.

In the near future the ship will be dismantled and souvenirs will be given to every school student who buys a war bond between December 18 and January 30.

The souvenir will be a block of the original wood from the Battleship Oregon with the name of the ship and the dates of its service printed on it.

A farmer engaged a young man from town and discovered that he was not very bright.

The new man was constantly putting the end boards of the cart on wrong. He would put the front board on behind and the back one in the front. Finally, the farmer painted a large "B" on each board and called the man's attention to them. "Now, blockhead," he said, "you can't make any more mistakes. That 'B' is for 'before' and this 'B' is for 'behind.'"

TALK ABOUT TOWN

The Army says that this Observation Post is a most important one and must be maintained. This means that each and every one in the community must accept the responsibility of helping to maintain it.

The Parent Teacher Association is endeavoring to collect the contributions. Their collectors have been most faithful and for the most part, the Citizens have been responsive in this Civilian Defense. However, there are a few who do not pay and have various excuses which show little or no patriotism. "Let George do it" is their standard.

The boys on the front line are not "Letting George do it", so surely in an all out war, it is very little to be asked to contribute 50¢ a month per household to maintain this post. Those who do not contribute will be asked

to serve at the post when relief aid is needed. If the collector calls and you are not at home, make it your duty to see her or go to the bank and pay into the Observation Post Fund.

DID YOU EVER SEE--
